**1****DIRECT DEPOSIT**

Allows seamless direct deposit switching so users can route their paychecks to preferred accounts instantly. This improves conversion and deposit retention for financial institutions.

Provides income and employment verification using payroll data. It streamlines lending and onboarding processes with real-time verified information.

2**VERIFY INCOME****3****MANAGE BILLS & SUBSCRIPTION**

Enables users to easily manage recurring bills and subscriptions. It automates payments, reduces churn, and helps customers stay in control of their financial commitments.

Simplifies switching payment methods for recurring transactions. It helps users update payment details across merchants quickly and securely.

4**SWITCH PAYMENTS****5****AUTHENTICATION**

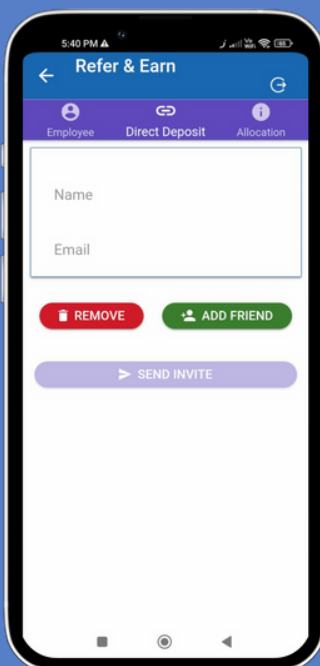

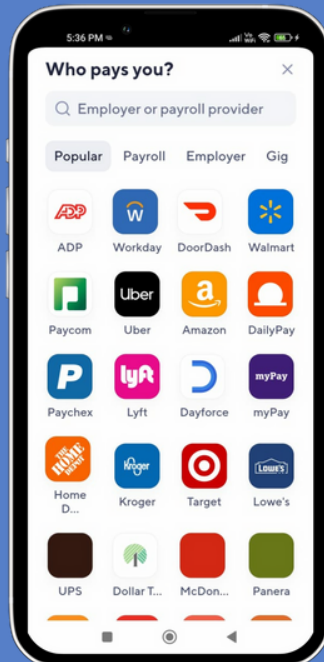

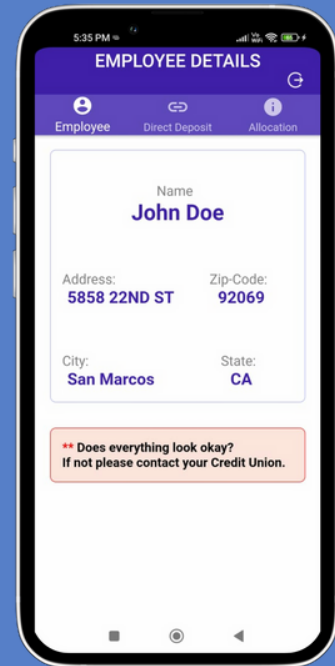

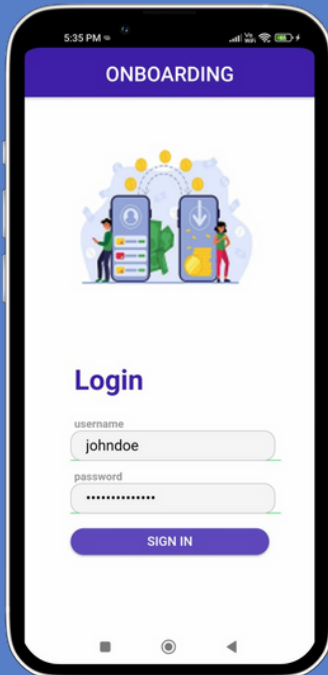

Connects to payroll and merchant systems securely for account verification and user authentication, ensuring compliance and trust across transactions.

Gives users access to tax refund information and W-2s directly from payroll providers. It enhances tax filing accuracy and reduces manual data entry.

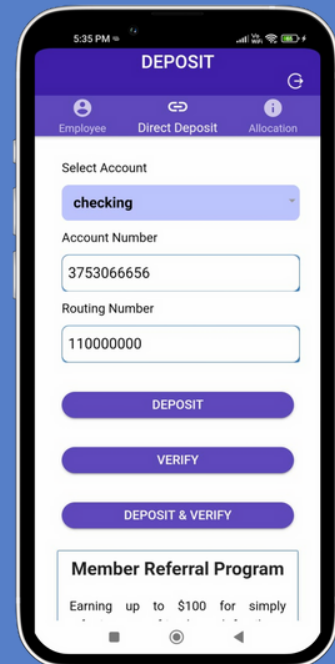

6**TAX FILLING**
